I need supplies to continue making dog beds Local Shelter. Apollo Rescue and Support in Justin. It's a No Kill Shelter and only gets money from grants, donations, etc. not from any surrounding township. Here is what I need the most – **BUT I STRESS ON ALL BELOW – I MUST APPROVE ALL ITEMS BEFORE YOU “DROP OFF”. I NEED ITEMS AT LEAST IN FAIRLY GOOD SHAPE and CLEAN. NO SHREDDED TOWELS, NO FOAM OR FEATHER ANYTHING, NO PET KENNELS, NO PACKING BLANKETS**

1) Blankets/Bedspreads/Comforters/Quilts/Sheets/ slipcovers, mattress pads, pillows (poly-fill only) - but no Afghans & no feather anything. Also need towels, leftover fabric (no scraps - at least 1.5 yd pieces)

2) Dog and Cat Food of any kind. NEW pet toys (cannot take used due to possible parasite exposure). Leftover pet medication of any kind (i.e. insulin, pain mgmt, seizure control, heartworm, flea & tick, etc).

I can pick up at your home if you need me to - or you can drop the goods on my front door step any time. I check daily, and I ride out to the shelter about once a week or more.

If you love dogs and want to volunteer, go over to Apollo Rescue in Justin on Dove Road and speak to them after first applying at their website on line. You can help walk the pups, manage donations, etc.

IF YOU KNOW SOMEONE WHO ACTUALLY WANTS A PAYING JOB - they are in desperate need. Out of 10 people who apply, maybe 1 actually shows up and after saying they can work certain days, etc., they change their mind. It's a sad situation. (FYI -All cats and puppies go to over 200 foster volunteers), which you can also volunteer to do. Thanks.
